DISCLAIMER AND DECLARATION

Affirmation of Required CE Hours

I have fully completed my required Continuing Education clock hours on relevant topics from the NCCAP Body of Knowledge during the 24-month period since my last certification renewal. I affirm that the information put forth on the Activity Certification Renewal form is true and complete to the best of my knowledge. I further acknowledge that if the information supplied on this form is willfully false, I am subject to disciplinary action including certification suspension and revocation.

Declaration

I acknowledge that it is my responsibility:

- To notify NCCAP of any changes to my legal name or contact information and in particular my current email address as this is NCCAP's primary communication path.
- To keep my Certification current by renewing every two years before the expiration date.

If any information is missing or needed, I understand I have **ninety (90) days** to submit the requested information from date of first contact from NCCAP. If I am delinquent in my response, NCCAP has the following policy:

- Application will remain in pending review status due to failure to comply with request. After third unsuccessful contact attempt NCCAP will no longer contact you and it is up to the applicant to contact NCCAP.
- On the **90th** day of pending review status, the application is withdrawn, and all fees are forfeited. You would then need to start a new application process.

I understand that after my Activity Professional certification expiration has occurred, I have up to **one (1) year** to renew with all the appropriate fees and documents. During this time my certification will remain in a lapsed status. After the one year mark your certification is no longer valid and you will need to submit application under new applicant, submit all supporting documents as stated in the Certification Standards, and submit the stated applicant fees.

Late Fee

NCCAP charges a **\$15 Late Fee** for renewal applications that are post-marked or received online after your expiration date. Please note your certification expires on the date it was originally earned and remains constant regardless of when actual renewal occurs. You are required to submit a fully completed renewal application and pay the fee by your expiration date. When applying a Late Fee, NCCAP takes into consideration the multiple attempts we make to notify you via email, phone and mailed notification card, the completeness of your application, the payment of your fee and the communications we receive from you at the time of renewal.
